MINERAL LANDS TO BE  
SEGREGATED TO LOCALITIES  
"What use will we have for a mineral  
land assessor when those lands are all  
segregated to the localities?" Mr.  
White asked.

"There will be a local assessor," Mr.  
Chaikley informed him.  
"Who will pay the assessor, the lo-  
cality or the State?" Mr. White pursued.  
"I presume the county," said Mr.  
Chaikley. "That will all be satisfac-  
torily arranged."

Judge Martin Williams argued  
against recommitment. He said the bill  
had been with the committee two  
weeks and the committee had recom-  
mended that it do not pass.  
The question to be decided being put  
the bill was sent back to the commit-  
tee room by a vote of 43 to 29.

HOUSE VOTES TO ABOLISH  
BOYDTON DISPENSARY  
Early in the morning session the mo-  
tion of Mr. Willis to reconsider the  
vote by which the Boydton dispensary  
was ordered to be closed came up for de-  
bate, but was passed by. The bill is  
designed to exempt Roanoke from the  
provisions of section 3, of the act of  
March 19, 1914, which provides "for a  
change in the form of government to  
cities having a population of less than  
100,000, and of towns, and to provide  
in what manner such cities and towns  
may adopt forms of government."

The bill to abolish the dispensary at  
Boydton, Mecklenburg County, was  
passed without opposition. Immediately  
after it came the four Senate bills  
pertaining to taxation, reported from  
the Finance Committee, Nos. 15, 18, 19  
and 22—which were passed.

On motion of Mr. Chaikley the House  
bill to authorize the appointment of  
three additional commissioners in  
chancery for the Circuit Court of Wise  
County was taken up out of its order  
and advanced to its third reading and  
enrollment.

At 5:30 o'clock the House adjourned  
until 10 o'clock this morning.

THE SENATE  
When the Buchanan segregation bill  
was taken up in the Senate yesterday  
Senator Mapp, of Accomac, offered a  
resolution providing that a vote be  
taken on the measure this afternoon at  
5 o'clock. The Senator explained that  
the purpose of the resolution was to  
bring the measure to a vote as early as  
possible and that he believed one  
plan or another should be adopted as  
early as possible and then the remain-  
der of the session should be spent in  
perfecting the plan selected.

The Senate was called to order by  
Lieutenant-Governor Elyson yester-  
day morning at 11 o'clock, and the  
opening prayer was offered by Rev. J.  
J. Scherer, Jr., pastor of the First  
English Evangelical Church.

Senator Wendenburg, of Henrico,  
continued to press his contention that  
property of railroads in Virginia is  
being taxed below its real value. The  
bill affecting railroads which he recent-  
ly presented was sent to the Finance  
Committee, and reported adversely.

WENDEBURG CALLS FOR  
TABULATED STATEMENT  
Senator Wendenburg yesterday  
offered the following resolution, which  
was adopted by the Senate:

"Be it resolved by the Senate of Vir-  
ginia, that the State auditor is hereby  
requested to make out a table show-  
ing what would be the difference in the  
amount of taxes paid by the railroads  
if the rate of tax under said bill of the  
Senate bill No. 72, putting the rate of  
tax under said bill at \$1 on the \$100  
of the railroad property; and what  
the difference would be between the  
city and town between the taxes re-  
ceived, gained and lost under the pro-  
visions of said bill and the taxes now  
paid and received, and that 250 copies  
of the table printed and charged to the  
contingent fund of the Senate."

Senator Brock, of Prince Edward,  
urged that the segregation bill be  
amended so as to protect smaller towns  
should the measure be passed.

PROPERTY TRANSFERS MUST  
SHOW ACTUAL CONSIDERATION  
Senator Drewry, of Petersburg, in a  
speech before the Senate, advocated  
modified segregation with some form of  
supervision by the State government.

Several measures of purely local  
character were passed. The Senate  
agreed to the bill requiring the actual  
consideration in property transfers to  
be furnished the clerks of the courts.

The Senate by unanimous vote con-  
curred in the House resolution provid-  
ing to suspend with the Senate  
resolution regarding the introduction  
of bills not related to the tax ques-  
tion. Several proposed amendments to  
the general tax bill were discussed at  
length.

Senator Royall, of Tazewell, spoke in  
favor of segregation and paid high  
tribute to Governor Stuart for his  
stand. The speaker predicted the down-  
fall of the commission plan, and spoke  
in glowing terms of the numerous  
benefits which he believes will follow  
the adoption of the segregation plan.

PAUL FAVORS INDIRECT TAXATION  
Senator Paul, of Rockingham, ex-  
plained that he had always been op-  
posed to a strong segregationist, but  
he saw many errors in the plan of  
segregation proposed, and did not be-  
lieve that he could support such a  
measure. The Federal Government's  
scheme of indirect taxation he believed  
to be the ideal segregation plan. He

GRAY FOLKS

Darkened. Stops Falling  
Hair. Look Young!

Here's an opportunity to try the  
effect of a harmless preparation called  
Q-Ban Hair Color Restorer on your  
hair and scalp with the guarantee of a  
reliable dealer that it won't cost you  
one cent unless it beautifies your  
hair and promotes its growth.

Simply apply Q-Ban, like a shampoo,  
to hair and scalp. It acts on the hair  
roots so the gray disappears and the  
hair is beautiful and quickly dark-  
ened so evenly, naturally, and grad-  
ually that no one can tell it has been  
used. In addition, Q-Ban stops itching  
scalp, dandruff and falling hair, and  
makes the hair thick, shiny, soft, lux-  
uriant, beautifully dark and abundant.

Q-Ban is not sticky or messy but is  
a clean liquid. Try it. Darkens hair  
even on the scalp. Only one bottle for a  
month's use. Write for a bottle to

urged a lower tax on intangibles, and  
expressed the opinion that the General  
Assembly should do all in its power to  
perfect the tax code, regardless of the  
time it may take to do it.

That a spirit of compromise will soon  
settle the differences in the Senate arising  
over the tax problem was the hope  
expressed by Senator Goodrich, of Fred-  
ricksburg. He said he had not fully  
decided how he would vote, but he  
advised the creation of a central ad-  
visory board. "The General Assembly  
has a difficult task to perform," he  
said. "We are expected to reform a tax  
system in thirty days which has existed  
in Virginia for 100 years."

On the motion of Senator Lesner, of  
Norfolk, the Senate adjourned on Mon-  
day to meet at 11 o'clock this morn-  
ing.

contrasting the cost of books used in  
Virginia with prices of the same class  
of books used in other States.

The greater part of the time of the  
investigating committee so far has  
been spent in attempting to determine  
whether the rate charged for the dis-  
tribution of books in Virginia—25 per  
cent of the publishers' wholesale price  
—is excessive. Witnesses have testi-  
fied that some other States have a much  
lower rate of distribution, but it has  
been shown that conditions prevailing  
in the different States are by no means  
equal, and the cost of distribution  
must necessarily vary accordingly.

Arrested as Suspicious Characters.  
Frank Green and Charles Hill, col-  
ored, were yesterday arrested by De-  
puties of the State Police on a charge  
of being suspicious characters. They  
were suspected of breaking into the clean-  
ing and pressing shop operated by E. E.  
Granger, at 414 East Main Street. Louis  
Henderson yesterday found two pairs of  
trousers on the street and took them to  
the Second Station, where it was  
learned they were part of the property  
stolen from the pressing shop. The de-  
livery of the trousers in recovering a por-  
tion of the \$100 worth of clothing said  
to have been stolen.

High School Debate.  
The Phi Kappa Epsilon Debating So-  
ciety of the John Marshall High School  
held its weekly meeting last  
night, and the question, "Resolved,  
That Labor Unions are Harmful to So-  
ciety," was debated. The affirmative  
side was taken by Samuel Sonnenberg  
and R. F. Ritchie, Jr., and the nega-  
tive by C. S. Ford and J. C. Duke.  
The decision for the best speech.

The questions answered below are  
general in character and the answers will  
apply in any case of similar nature.  
Those wishing further advice, free,  
may address Dr. Lewis Baker, College  
Physician, College-Hillwood Sts., Dayton, O.,  
enclosing self-addressed stamped enve-  
lope for reply. Full name and address  
must be given, but only initials or  
initials name will be used in my  
answers. The prescriptions can be  
filled at any well-stocked drug store.  
Any druggist can order of wholesaler.

M. R. writes: "I have suffered with  
dyspepsia, or nervous indigestion more  
or less for 8 years and I want you to  
prescribe treatment for me, my symp-  
toms are the usual ones, such as full  
distress after eating, sour stomach,  
headache, heart-burn, and pain in the  
regions of heart, or between shoulders,  
constipation, or some times diarrhea,  
coated tongue, bad breath and a score  
more. Am miserable, in a word."  
Answer: Your case is chronic, but  
by careful diet and the regular use  
of an aid and tonic you should soon re-  
cover a normal state. Obtain a box of  
"Double-Force" stomach and bowel  
medication of a druggist. With it are  
directions. This is the newest and best  
treatment I know of.

C. J. R. asks: "Can I safely reduce  
my weight, and how?"  
Answer: Go to a well-stocked drug-  
store and get five-grain barbo-  
rals in sealed tubes with complete direc-  
tions. Take as directed, and you should  
soon feel the relief you desire. Many  
cases of indigestion, flatulence, and  
without any harmful action whatever.

Ellen J. asks: "Tell me, please, how  
I can increase my weight and improve  
my color. I seem to be anemic, weak  
and tired all the time."  
Answer: Begin taking three-grain  
hypophosphoric tablets with your meals  
and soon you will feel your strength  
returning and gradually your weight  
and color will improve. This is the most  
effective remedy if persistently used.

J. W. W. asks: "Can you prescribe a  
reliable treatment to get rid of dan-  
druft, itching and feverish scalp?"  
Answer: I know you can get in-  
stant relief and permanent results by  
using plain yellow mineral oil as per  
directions which accompany each 4-oz. jar.

"Morris" asks: "I have suffered with  
a chronic cough for almost a year, and  
nothing has helped me. I have tried  
everything, but nothing has helped me.  
Nothing the doctor gives me helps, so I  
write to you."  
Answer: You need a thorough laxa-  
tive cough syrup, one that not only re-  
lieves, but surely drives the cough  
system. The following regularly used  
will not only cure cough or cold  
promptly. Obtain a 2½ oz. bottle of  
essence mentho-cure, mix it with a  
home-made sugar syrup or honey as  
per directions on bottle.

Miss "Stranger" asks: "I am in a  
weakened condition due to a long se-  
ize of catarrh of the bladder. Briefly I have  
Pelvic Catarrh (leucorrhea) and cat-  
arrh of the nose and throat. What  
local treatment is good for a cure?"  
Answer: I am quite sure that anti-  
septic Vilane Powder will be the most  
prompt and effective treatment that  
one can possibly use. Full directions  
accompany either two or eight-ounce  
packages. Do not neglect catarrhal  
trouble.
